JOHN DIXON and Ian Colebourn (North Humberside Motor Club) were the top North Bank crew in the Scunthorpe Stages Rally, which took place over around 130 miles of South Humberside roads yesterday.

They came ninth in their Escort RS 2000 in a time of 50min. 5sec. — 3.42 slower than winners Malcolm Bennett and Tony Thomas, of host club South Bank MC.

Other North Humberside crews to finish were : 15, Derrick Briggs and Michael Ogram (Beverley) 50.40; 27, Tim and Angela Allsop (N. Humberside) 55.30; 30, John Smith and Brian Godfrey (N. Humberside) 56.10; 52, Tony Dickinson and Paul Pattison (N. Humberside) 59.10.

About 80 crews took part in the seven-stages rally, which was split into two halves — four stages on farm tracks and quarry roads in the morning and three on airfields in the afternoon.

Eight special stages were run on the airfields and these really decided the outcome of the rally.
