## Editorial

Welcome to the August issue of the magazine, in this issue you will find details of the clubs AGM , This will be held on Thursday evening September 4<sup>th</sup> at 9.30pm, please try and attend to support your club and have your say.

As we have to send the notice of AGM to every member we decided to send this issue of the magazine to everyone as well also using this as a chance to improve communications to our members. If you did not get an email telling you this magazine was available we do not have your curret email address.

By the time this magazine goes to press we will have held our two classic events, the first "The Cave Classic" organised by Dennis Robinson and Ian Sadofsky finishing at the North cave Fete.

The second event "The Tour of The Yorkshire Wolds and Howardian Hills The actual Sutton Upon Derwent Classic gathering was cancelled due to the atrocious weather conditions but the run continued with 18 brave competitors running the gauntlet of heavy rain and wind.

The NHMC Cadwell stageson Cadwell Park organisation is well underway, regulations should be available at the end of the month.

Trackrod Rally Yorkshire is fast approaching please see details in Marshals news.

We could do with some new members on the committee to help run and organise the club. We are not looking for a great commitment; we have meetings once every two months with sometimes a conference call in between.

### COMPETITION SECRETARY'S BIT

We managed to run our Sutton on Derwent Classic Scenic run on Sunday 10<sup>th</sup> August in atrocious weather conditions, from the 24 entries 18 started the run. The idea was to drive along country roads with nice scenic views, but when its p...ing down with rain and the windows mist up, this defeats the object. Anyway everyone managed to get to the end, except a Mercedes and Dave Cogan's Land Rover, that needed a little help near the finish line. Someone has suggested that next year, we run in summer!!

The Autotest season fast approaches, we hope to run the November one on the **23<sup>rd</sup> November**. Scores so far are shown below

## Training Weekend 30 & 31 August 2014

Whickham and District Motor Club, together with the British Red Cross, ANECCC and Ford Parts UK, present a MSA training weekend to be held on 30&31 August 2014 in the Newcastle Upon Tyne area. This training weekend is aimed at anyone involved in motorsport - competitor, official, marshal, safety services or spectator, there will be something for you. Building on feedback received from last year the weekend focuses on safety in motorsport with lots of practical activities and hands on training.

***Why should you attend...***

***Would you know what to do if an incident occurred in front of you?***

***Have you been involved in motorsport for years and have experiences to share?***

***Do you want to meet like-minded people and join in with motor sport?***

***Are you an existing marshal, official, rescue or recovery crew?***

***If you're a competitor or spectator***

***Then there is something for you this weekend!***

Over the two days we will cover the following subjects; this year each day will be different so to gain the most attendance on both days is recommended:

Saturday Sunday

- Practical Fire Training - First Aid (first time and refresher)
- Spectator Safety - Advanced First on Scene (practical)
- Rallittrak/communications & the future

For our MSA Rescue crews we have two days of updates and practical scenarios. Saturday will cover medical & equipment updates, legal information and communications. Sunday is a full day of practical with a chance to work alongside front line ambulance crews and to share good practice.

**Interested??**

For more information and to sign up for a place please email:

**[Training@WDMC.org.uk](mailto:Training@WDMC.org.uk)**

This weekend is free to attend; refreshments and lunch will also be provided.

***Please note that places are limited and booking is essential - you cannot just turn up on the day.***

# Riponian Stages Rally 2015

[www.riponian.co.uk](http://www.riponian.co.uk) [www.whitbydmc.co.uk](http://www.whitbydmc.co.uk)

PRESS RELEASE #2015A1 26/07/2014 Immediate

## 2015 Riponian Rally

When taking the agonising decision to postpone the 2015 running of the season opening Riponian rally, Ripon MSC knew there was a risk the event might be difficult to revive in future. After a very welcome approach from Whitby DMC both clubs are pleased to announce the event WILL go ahead in Feb next year.

The Riponian Rally will run on February 21st 2015. Ripon MSC and Whitby & DMC have pooled resources and put together an organising committee to jointly run the event. Negotiations are ongoing to secure a title sponsor for the event and the committee are confident that the event will run successfully.

The Riponian rally has run as a special stage rally since 1988 and is one of only 3 rallies still running through the North Yorkshire forests. Clerk of the Course Alan Hill, said "To lose the rally would be tragic for North East rallying, but with the combined efforts of Ripon and Whitby Motor Clubs we can keep this classic rally in the calendar"

"When we heard that the Riponian may not run next year, we contacted Ripon MSC and offered any help we could. The Riponian is a great early season rally and we are very pleased to be helping keep it going" said Dave Scrimgour, Chairman of Whitby & DMC.

"We have committed to running the event. We just need the support of our loyal competitors to make the event the success that it deserves".

Issued jointly on behalf of Ripon Motor Sport Club and Whitby & District Motor Club.

*Ends*

## Possible Trip to Amsterdam

After the Caves Classic, Steve Wood was chatting to Dennis Robinson he suggested that perhaps the Motor Club could look at organising a visit using off peak travel with P&O North Sea ferries where advantageous fares can be had during January and February 20125, he suggested visiting a motor museum near Amsterdam.

Dennis had made the following suggestions

Ferry fares inc. dinner and breakfast should be around £120.

No deals worth speaking of by taking a minibus from this side.

P&O have just their standard trips to Amsterdam, Rotterdam and Brugges so no help there.

I have a contact in Oostvoorne who is looking at getting a local rate for me.

I would hope then that we could get a package together for 10-12 at about £150 per head.

Some might want to go a bit extra for a cabin upgrade.

Only other costs is the bar bill.!

Visit first museum near Amsterdam then lunch in Oostvoorne then de Rijke museum in late afternoon, then cafe central in Oostvoorne before boarding ferry back to Hull.

Any suggestions, or interest in such a trip please contact Dennis Robinson on *Tel: 01482651069* [captjd@53wellard.karoo.co.uk](mailto:captjd@53wellard.karoo.co.uk)

Are you missing out on news from your motor club !

We have posted a hard copy of this magazine to all members in order to try and improve the clubs communications to its members.
