MAGAZINE  
December 2015

## Editorial

I cant believe we are round to another Christmas magazine. As I didn't have much copy for the magazine I have filled it with photos from Cadwell, fortunatley IT@Spectrum have plenty of ink !

Main news in this magazine is from the very successful 2<sup>nd</sup> running of the North Humberside Cadwell Stages Rally, the first time in several years an NHMC rally had a full entry, obviously due to the very popular

The event was a huge team effort, we had nearly 100 marshals sign on together with another 70 people such as set up crews, officials, recovery recue etc. so we are talking over a 170 people involved in the running of the event. We even managed to have a few competitors and service crews! The event seems to have been well received by both senior and junior competitors, some of the feedback from competitors included

*“Excellent day today my thanks go out to your organising teams and all the marshalls, had an absolute fantastic day and great stages ! Slippy in places but hey kept us on our toes and gave me chance to get used to”*

*“I just wanted to drop you a quick note to say thank you to you and your very hardworking team for delivering a fun and well run event. “*

*“Just wanted to say a big thank you to everyone involved in yesterday's superb event. Catie and I had a brilliant day - Slick and friendly organisation at a fabulous venue. “*

*“Great event, enjoyed the stages . Nearly matched the seeding knew it was going to be a challenge.”*

There was lots more like this with very few negative comments

On behalf of the committee may I take this opportunity to wish everyone and merry Christmas and a happy new year

# Marshal News

As I said in my editorial many thanks to everyone who was involved in the Cadwell Stages Rally, a huge turnout of marshals for the event.

## **27<sup>th</sup> – 29<sup>th</sup> November Roger Albert Clark Rally**

Unfortunately this event was cancelled due to a lack of entries.

## **Marshals Training Sunday 31<sup>st</sup> January Askham Bryan College**

This annual training event will once again be held at Askham Bryan College, it will cover all aspects of Rally Marshalling.

Given the current climate on stage rallies it is important that as many people as possible attend this type of event, it might even be useful for competitors!

To register for the event and select your training needs please go to

## **Riponian Rally 28<sup>th</sup> February 2016**

Next year's Riponian will be held on the 28<sup>th</sup> February.

However they will not be using our usual Wass stage on this event so we have been asked to run Boltby so will need lots of help. The stage will be run twice and is the last stage of each loop.

More details later

The latest issue of the Fund's newsletter, The Marshal, is now available from [www.motorsportsafetyfund.com](http://www.motorsportsafetyfund.com).

It contains details of two new, brief films: Stay safe (a guide for spectators) and First on the scene, which gives basic advice if you happen to be first on the scene of an accident, whether in motorsport or on the road. Both films are available for free download from the website.

**Finally, the Fund once again has its motorsport clipboards available. These can be ordered via the website at a cost of £10 and have sealed-in information on the radio alphabet, special stage signage, conversion scales and much more.**

## COMPETITION SECRETARY'S BIT

### November Autotest

We had a very wild and blustery day for our final Autotest of the year. We managed to run 15 tests before we all got fed up. 11 competitors turned up and a good time was had by all (except for the weather). Ken Sturdy took overall honours, as usual Rob White provided the entertainment, how that Micro takes the punishment we will never know! I think Howard Paterson won the award for getting the wettest in his open topped midget.

Thanks to everyone who helped. Especially Howard Everingham and Carl Thompson who were operating in the bleakest part of the venue.

### New Year Autotest 3<sup>rd</sup> January 2016

Our first event of 2016, just 3 days after New Year's Eve , our usual Autotest at Readers Yard , Brandesburton. Regulations will be sent out shortly. We need marshals as usual, but if you want to come along, anytime during the day and meet up with everyone, that's great. The first test is usually about 10.30, and we finish for about 3.30.

Below are the final provisional results for this year's Autotest championship.

### **PLEASE NOTE**

**I have added the November Autotest results and I have corrected one or two mistakes on previous scores. As usual if you see any mistakes, please let me know.**

## JEAN TODT TO GIVE WATKINS LECTURE

### The 2016 Watkins Lecture

### Presented by the Motorsport Safety Fund

**11.15am on 15 January 2016 at the NEC, Birmingham.**

The Motorsport Safety Fund's Watkins Lecture is to be given by Jean Todt, President of the Federation Internationale de l'Automobile (FIA). Jean had a notable career as a co-driver, before going on to work in motorsport management.

He successfully directed teams in the World Rally Championship, the Paris-Dakar Rally and in the Le Mans 24 Hours Race. He then moved on to Formula One, managing the Ferrari Team to win 14 World Championship titles (drivers and manufacturers). Jean will be in conversation with the BBC's James Allen.

Tickets are free; you can apply online at [www.motorsportsafetyfund.com/watkins-lecture.html](http://www.motorsportsafetyfund.com/watkins-lecture.html) or by posting an SAE to: Watkins Lecture, Motorsport Safety Fund, PO Box 200, Sevenoaks TN15 8WZ.

### **2016 Seminars for Club Officials – Invitation to attend**

In 2016, the series of MSA Seminars will primarily be reserved for unlicensed Club and Event Officials (which typically includes but is not limited to Club Stewards, Secretaries of the Meeting and unlicensed Clerks). The day will be predominantly workshop based, specifically aimed at exchanging views and information to assist your Club's future development and encouraging liaison with the Regional Development Officers.

Attendance is being invited from all disciplines, and each Club may nominate up to 5 representatives from as wide a profile as considered appropriate and, with newcomers especially welcome, these seminars providing an opportunity to gain and share relevant knowledge and information. Clubs with national or regional centres are invited to nominate selected officials as appropriate to each venue.

Please note that once again this year we are asking you to advise us of the names, addresses and **email addresses** of the officials whom you are nominating to attend, so that we may then correspond directly with those individuals with precise venue and joining instructions, and further programme details.

Full day seminars assemble at 9.30am for a 10am prompt start. Delegates will be responsible for their own luncheon arrangements, with each delegate attending receiving a £7.50 lunch allowance, with suitable menus being available. Further details will be provided at signing on.

Also a mileage allowance will be payable at volunteer rate of 38p per mile. This allowance will only be payable for your attendance at your most local venue, or the next local if you are unable to attend the most local venue. As always, car sharing is encouraged and the extra mileage incurred in collecting any fellow attendees as passengers will also be refundable. Expenses claim forms will be available on the day for submission to the MSA after the training.

The dates and locations of the venues are as follows - please note that some venues have been reviewed as a result of feedback from previous years:

<b><u>Day/Date</u></b>	<b><u>Location</u></b>
Saturday 30th January 2016	South West (Exeter – Gypsy Hill Hotel)
