MAGAZINE
February 2016

Editorial

Welcome to the first magazine of 2016, Members who have not yet renewed their subscriptions are advised that this is the last magazine they will receive until their subscription is renewed.

Included in this magazine is a membership renewal form which I forgot to include in the last magazine, although Dennis tells me we are doing well with membership renewals so far.

Congratulations to Tom Hutchins and Sam on the occasion of their wedding on the 22nd January best wishes for their future together.

The next Autotest is The One Point February Autotest 7th February at Readers Yard Brandsburton.

Incidentally I have had the email below regarding a classic car meet at Brandsburton on the same day

Midlands and Yorkshire Classic Car Club

midsandyorksgccc@aol.com

I understand from one of our Members that your Club are meeting at Readers Yard in Brandsburton for an "Autotest" on Sunday 7th February this year.

This is just to let you know that on this date we are having one of our regular 'Classic Car Meets' at the Black Swan, also in Brandsburton, which will run between 11-30am and 2.00pm.

I do not know the timings of your event, but if any of your members wish to look in on our Meet, between those hours, they would be most welcome to do so. There is no entry fee and no pre-booking, so feel free to inform your members they can just turn up, if they fancy adding us to their schedule on the day.

Best wishes, Dean Mende

One or two changes coming from the MSA involving marshals training, Media accreditation together with lots of regulation on stage rallies around spectators, safety cars etc.

From the dates published in the last magazine the date of the Sutton Upon Derwent Classic has changed to the 21st August.

I have also had a note to say that the Border Classic will be run on Sunday 15th May which is the same day as our John Overend Stages Rally.

Marshal News

Online training and accreditation

Quite a few people will have attended the marshals training event at Askham Bryan.

If you want to attend training but couldn't make the one at Askham Bryan there are two more events

Telford 28th February (Same day as Riponian)

Derby 20th March

Marshals can register via the volunteers in motorsport web page

http://www.volunteersinmotorsport.co.uk/listman/exec/search.cgi?search=1&perpage=10&field11_keyword=training&sort_order=20,123,forward&template=search_results_training.htm

However one or two people have asked how to register to be an MSA marshal. It seems things are changing, before you can register you will need to complete an on-line training module, it seems details will be announced at the Autosport International details below

The training should take no longer than 45 minutes, including the assessments. It is important to note that the online training is a supplement to, and not a replacement for, the high quality face-to-face training sessions that are currently being delivered across the UK.

This year, the online training and accreditation is only compulsory for newly registering marshals. However please note that those marshals who are currently registered with the MSA will need to complete the online training before being issued with their 2017 Registration card. You will only need to complete this course once in your marshalling career.

Saturday 30th April 2016 Pirelli Carlisle Rally - Request for Marshals

Buccaneer Motor Sports Club has been asked to run "The Folks" stage which, at circa 16 miles, will be the longest of the event. With the enhanced safety requirements provided by the MSA's 2016 Stage Rally Safety Requirements document, we are likely to need a minimum of 70 stage staff and will ideally need to aim for around 90-100. This will be quite a task to achieve, and hence the early start for recruitment.

Provisional details are as follows:

Date: Saturday 30th April 2016

Signing On: 07:00 to 07:45

Although BMSC are not commanding a stage on the following day, we have been asked to support the "Shepherdshield" stage. We have also been asked to encourage as many people as possible to transfer from our stage for the second day.

Provisional details for this second day stage are also as follows:

Date: Sunday 1st May 2016

Stage: Shepherdshield

Signing On: 06:25 to 07:10

Further details for both stages will be provided once they are available nearer to the event.

I would be grateful if you could contact me if you are available to assist on either/both stages.

I look forward to hearing from you.

Many thanks and best wishes

COMPETITION SECRETARY'S BIT

AUTOTESTS

Our first event of the year was held at Brandesburton on 3rd January, entries were a little low, due to illness and holidays, but we had 10 entries.

To provide a bit of interest, we had a couple of historic rally cars, Andy Beaumont in his Sunbeam Rapier, and Ben Blanchard in his Hillman Avenger. See Photo on the rear cover

The weather started out fine, but deteriorated rapidly after Lunch, and by the end of 15 tests we had had enough.

Team Short! Dominated with Dave taking his Nova to FTD, Robert Short was about 5 seconds behind in second place, with brother Stephen in 3rd place. Thanks to everyone who turned up and the marshals for getting wet.

Next Autotest is Sunday 7th February, at Readers Yard, Brandsburton

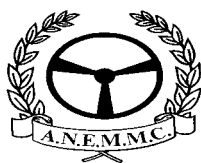

JOHN OVEREND MEMORIAL STAGES RALLY 15TH MAY 2016

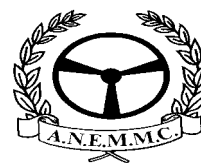

A meeting has been held with the three clubs who use Melbourne airfield, NHMC, Trackrod and Lindholme, we have agreed on work that needs doing on the venue. So if anyone is available to help, please contact Robert or John Newlove.

We also had discussions as how to implement the New MSA regulation on spectator safety on Melbourne. The biggest concern being spectators walking down the main drag to the service area. It is unlikely that this will be allowed in future.

The first event is Trackrod's LOOKOUT STAGES on 3rd April.

Wondered if anybody can explain this, I'm rebuilding the engine on my Morris Eight series E and noticed one of the con rods has a swastika on it! John

Note: I have since been informed that before the 2nd World War the Swastika was used as a British Quality mark which was then dropped when it was adopted by Hitler

Fergie Fawcett Temporary Closure

As we go to press I have been told that the Fergie Fawcett is closing from the 7th to the 21st March for another refurbishment.
